

MONTH'S STATISTICS.

RECORD OF THE THERMOMETER, RAIN-FALL, &c., FOR NOVEMBER.

Police-Court Business—Marriage Licenses Issued and Deeds Recorded in Richmond and Henrico.

The subjoined table gives the sunrise, minimum and maximum readings of the thermometer, the course of the wind at sunrise, and the amount of rainfall for the month of November.

The readings of the thermometer were taken in an elevated portion of the city, the position of the instruments being free from any influence of refracted heat. They are self-registering, of the best French manufacture, are carefully noted each day, and the figures are believed to be absolutely correct.
