

Richmond, Va.

1905

For the Month of January

Station is supplied with barograph, thermograph, sunshine recorder, and self-recording rain gage.*

If the office has been moved during the month, give date _____; amount of change in height _____

* removal correction.

No. of extra barometer, 1817; sum of corrections, -0.14 ft; date and observation upon which use of station _____

* removal correction.

8:00 a.m., 75" meridian time; sum of corrections used, -0.24 ft; station elevation, 144 feet;

Location of office: Number Mutual Assurance Building streets, rooms nos. 916, 917, 918, 919; first obs

Corner Main 3rd 9th

July 1, 1905.

* Cancel words that are not appropriate.
